"City Life" by Valerie

2010-9-8 16:30:22

The sculpture "City Life" will be exhibited at the front door of ShanghaiMART. This masterpiece is processed by China Fine Art Foundry for the first time, creating a new era of Chinese technique of processing sculptures.

Valerie was born in France in 1967. She has been to Morocco, Cameroon, England and Venezuela in his childhood. She came back to Paris in 1985, receiving European educatin in Paris. She also learnt sculpt, having an instinct of art. Her talent gives her more space and idea to her art works. As a female artist, she tries to put his philosophy of life to her sculptures, showing his positive and energetic understanding of life, society and nature.
